

Woking LA21 Annual General Meeting presents The world on a plate – diet and climate change

Intensive agriculture now produces most of our food. Convenient and cheap, but how climate-friendly?

Woking LA21 welcomes Emily Lewis-Brown, of the Food Climate Research Network, who will present the latest thinking on how much our food system contributes to global warming and what we can do about it.

7.30pm, Wednesday 22 June 2011

H.G. Wells Conference and Events Centre, Woking

No need to book for this free event.
