Dear Camilla,

Thank you for submitting the Domestic Homicide Review (DHR) report (Alice) for Woking Community Safety Partnership (CSP) to the Home Office Quality Assurance (QA) Panel. The report was considered at the QA Panel meeting in January 2025. I apologise for the delay in responding to you.

The QA Panel felt this is a thorough report which is not defensive. It is clear that a very good review has been undertaken. The report provides a good deal of information about the victim and how her life was marked by exceptional sadness and abuse and in many parts as if it was written through the eyes of the victim. The review has led to some excellent learning and recommendations.

The QA Panel is content that the DHR may be published.

Once completed the Home Office would be grateful if you could provide us with a digital copy of the revised final version of the report with all finalised attachments and appendices and the weblink to the site where the report will be published. Please ensure this letter is published alongside the report.

Please send the digital copy and weblink to [DHREnquiries@homeoffice.gov.uk](mailto:DHREnquiries@homeoffice.gov.uk). This is for our own records for future analysis to go towards highlighting best practice and to inform public policy.

The DHR report including the executive summary and action plan should be converted to a PDF document and be smaller than 20 MB in size; this final Home Office QA Panel feedback letter should be attached to the end of the report as an annex; and the DHR Action Plan should be added to the report as an annex. This should include all implementation updates and note that the action plan is a live document and subject to change as outcomes are delivered.

Please also send a digital copy to the Domestic Abuse Commissioner at [DHR@domesticabusecommissioner.independent.gov.uk](mailto:DHR@domesticabusecommissioner.independent.gov.uk)

On behalf of the QA Panel, I would like to thank you, the report chair and author, and other colleagues for the considerable work that you have put into this review.

Yours sincerely,

Home Office DHR Quality Assurance Panel
