Dear resident

Victoria Arch widening scheme: public engagement session

We are committed to keeping local residents and interested parties informed on local issues and projects. We are writing to invite you to attend a public meeting about the **Victoria Arch widening scheme and provide an update on the project's progress.**

The session will take place **from 7pm to 8.30pm on Thursday 16 December** in the **Wurlitzer Hall at Woking Leisure Centre**, Woking Park, Kingfield Road, Woking GU22 9BA.

Due to COVID-19 guidance, residents wishing to attend must register in advance of the event. Registration bookings will be **allocated on a first come, first served basis.**

About the engagement session

The first part of the event will include presentations covering:

- About the Victoria Arch widening scheme.
- About the scheme's key works – demolition of the Triangle site, proposed highway works, and replacement railway bridge.
- An update on the proposed planning applications for the relocation of the Day Aggregates access road.

The presentations will be followed by a facilitated questions and answers session.

When registering to attend this meeting, you will have the opportunity to **submit a maximum of two questions to the project panel in advance of the meeting.** This will enable us to minimise duplicate questions, answer as many questions as possible on the night, and manage the event within the set timings.

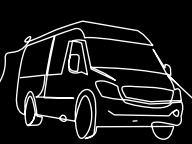

The event may be recorded for monitoring and documentation purposes.
